Sponsorship Opportunity

January 29th, 2018

Physical Activity Trailer

Program Details

Did you know that about 1.5 million British Columbians are classified as inactive, and many of those who report being active do not get enough physical activity to receive health benefits? A major barrier to participating in physical activity includes the unequal distribution of resources in some geographic locations. The Physical Activity Trailer (PAT) is a solution to reducing barriers to physical activity in areas with limited resources. Focusing on physical literacy, safe play and reduction of sedentary behavior PAT aims to increase access to recreation and PLAY. PAT will be traveling within the RDOS electoral areas visiting rural and urban communities to promote and enhance physical activity.

Sponsorship Opportunities

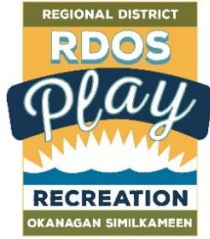

The Regional District of Okanagan-Similkameen (RDOS) invites you to become a sponsor of PAT. The RDOS is seeking sponsorship in monetary and non-monetary forms including but not limited to: sport and physical literacy equipment; registration fees for participants; instructor training or coach fees and; funding towards PAT's operating costs.

Please see attached for Sponsorship Levels.

Thank you for your consideration.

Please contact Amanda Murai with your sponsorship ideas or suggestions.
