

BOIL WATER NOTICE

OLALLA WATER SYSTEM

April 24, 2025

The Regional District of Okanagan-Similkameen (RDOS) in consultation with the Interior Health Authority (IHA) is issuing a **Boil Water Notice**, effective immediately. This is in response to poor water quality results which shows bacterial growth within the water system. The **Boil Water Notice** will remain in effect until further notice.

The RDOS is requesting that all residents inspect their plumbing for any potential cross-connections or opportunities for household water to make its way back into the water system. More information will be provided in a separate notice.

Precautionary Instructions

All residents are advised to use a safe alternate source of water or to boil water for all drinking, tooth brushing, food preparation/cooking purposes and ice making. Water should be brought to a full boil and allowed to boil for at least one (1) minute.

The RDOS is also reminding all business owners/operators (bed and breakfasts), landlords, and public facilities operators that it is the responsibility of these establishments to notify their customers of the **Boil Water Notice**.

For further information, please contact RDOS Public Works at 250-490-4106 or 250-490-4135 during regular business hours, Monday through Friday.

For after-hours water emergencies, please call RDOS Regional Dispatch at 250-490-4141.

Thank you for your cooperation.
