

EMERGENCY OPERATIONS CENTRE (EOC)

JOINT INFORMATION RELEASE

EOC Update: Atmospheric weather event, Wednesday, Dec. 17, 2025, 11:30 am

Regional partners, including Lower Similkameen Indian Band (LSIB), Upper Similkameen Indian Band (USIB), Town of Princeton, Village of Keremeos, and Regional District of Okanagan-Similkameen (RDOS), continue to monitor weather conditions across the region.

There are no new updates to evacuation orders or alerts at this time.

Windstorms

- Windstorms are impacting multiple areas creating hazardous conditions with downed powerlines and trees throughout the region.
- Call 911 to report downed powerlines and do not approach the powerlines as they may be live.
- Watch for debris on roads and highways. Slow down and drive with caution.

Safety

- Continue to stay away from rivers and creeks. Flows are dangerous and conditions can change suddenly.
- Take road safety precautions, slow down and watch for road hazards.

The next update is scheduled for Thursday, Dec. 18, 2025, at 10:00 am unless conditions change.

Emergencies are a stressful time for everyone, and there is support available. If you or someone you know needs assistance, please don't hesitate to call the RDOS EOC at 250-490-4225. Staff will connect you with local resources. You can also call **BC Mental Health & Crisis Response: 310-6789** (no area code required).

- **Evacuation Alert** – [Town of Princeton – Properties between the Similkameen River and Highway 3, including the 'Tunnel Area', Burton Avenue, & Waterfront Avenue](#)

EMERGENCY OPERATIONS CENTRE (EOC)

RDOS

- **Evacuation Order** - one (1) property - Atmospheric River Flooding - Electoral Area "B" (Lower Similkameen) Thursday, Dec. 11, 2025, 6:00 pm
- **Evacuation Order** - two (2) properties - Atmospheric River Flooding - Electoral Area "H" (Rural Princeton) Thursday, Dec. 11, 2025, 6:00 pm
- **Evacuation Alert** - Atmospheric River Flooding, Electoral Area "H", Dec. 11, 2025, 12:30 pm
- **Evacuation Alert** - Atmospheric River Flooding, Community of San Ang, Electoral Area "H" Rural Princeton, Dec. 11, 11:00 am
- **Evacuation Order** - Atmospheric River Flooding, Princeton Municipal Campground, Dec. 11, 10:00 am
- **Evacuation Alert** - Flooding Event, Electoral Area "H", Dec. 11, 2025, 02:00 am
- **Evacuation Alert** - Flooding Event, Tulameen & Otter Lake, Dec. 10, 2025, 11:50 pm
- **Evacuation Alert** - Potential Flooding Event, Eastgate, Dec. 10, 2025, 5:00 pm

Visit the interactive map to view current evacuation areas and sand and sandbag locations:
emergency.rdos.bc.ca

Sand and sandbag locations

- USIB site off Daly Avenue in Hedley
- Tulameen and District Fire Hall
- Eastgate Fire Hall
- San Ang (east of Princeton near Taylor Mills Road)
- Princeton Fire Hall, Corina Avenue, Burton Avenue at the Dog Park
- Princeton Fire Hall and Corina Avenue
- Keremeos Highway 3A and 1st Avenue

The RDOS and regional partners maintain sand and sandbags and can provide supplies to communities as requested.

Emergency Operations Centre staff are coordinating response efforts and maintaining the status of Evacuation Alerts and Orders in advance of further precipitation and snowmelt. These steps are being taken out of an abundance of caution as the situation continues to evolve.

Emergency Support Services (ESS) volunteers are standing by to assist if needed. ESS is a provincial program, and local governments are required to have teams in place to support residents if they are required to leave their property due to an Evacuation Order.

Residents and visitors are reminded to monitor official sources for the latest updates, including the location of Reception Centres if sites are activated. In the meantime, residents on Evacuation Alert or Order are encouraged to self-register at ess.gov.bc.ca.

EMERGENCY OPERATIONS CENTRE (EOC)

Landslides and rockslides are impacting several roads and highways across the province, and residents and visitors are reminded to use caution around fast-flowing bodies of water and when travelling on roads and highways. Watch for crews and first responders. Check [DriveBC](#) for the latest updates.

Visit the River Forecast Centre website to view current warnings and advisories:

Monitor official sources for the latest updates, including [Environment and Climate Change Canada](#).

Cold weather

Be safe when the weather turns cold. Be aware of cold advisories in the region and how cold impacts health. To learn more, visit interiorhealth.ca.

Emergency notifications

Please visit your local government website for local information about notifications.

[Click here](#) to register for routine and emergency notifications from the RDOS via email, text, or telephone. You can find a link to Voyent Alert! on the RDOS website at rdos.bc.ca.

For further information, please call the RDOS EOC at **250-490-4225**.

Lower Similkameen Indian Band Duty Phone: **877-418-4631**

Upper Similkameen Indian Band: **250-292-8733**

Town of Princeton: **250-295-3135**

Village of Keremeos: **250-499-2711**

In the case of an emergency, call 9-1-1.

Issued by EOC Directors

Background:

BC River Forecast Centre, Ministry of Water, Land and Resource Stewardship

A **High Streamflow Advisory** means that river levels are rising or expected to rise rapidly, but that no major flooding is expected. Fast-flowing bodies of water increase the risk to life safety. Minor flooding in low-lying areas is possible.

A **Flood Watch** means that river levels are rising and will approach or may exceed bankfull. Flooding of areas adjacent to affected rivers may occur.

A **Flood Warning** means that river levels have exceeded bankfull or will exceed bankfull imminently, and that flooding of areas adjacent to the rivers affected will result.
