☒ I do not support the proposed variances at **PID: 015-148-513**.

**Please provide any comments you wish the Board to consider:**

As owners of land adjacent to the proposed subdivision, we are not opposed to the subdivision per se but we are strongly opposed to the removal of setbacks for the following reasons:

1. Increased noise pollution from machinery
2. Increased exposure to excessive diesel smoke from machinery
3. Decreased land value as a result of the above
4. This will affect our quality of life and peace of mind
