To whom it May Concern

Please accept this proposal for a renewal of our Short Term Rental permit located at
503 Wilson Mountain Road, Oliver Area C. We are registered with the Province of BC as a legal suite.

We have been a STR permitted for the last 3 years for 6 months of the year. This is our primary residence with a suite on our property.
I'm the owner and operator of the property and STR.
There are no changes to our STR since our last permit.

Thank you
