

EAST ELEVATION

NORTH ELEVATION

WEST ELEVATION

SOUTH ELEVATION

17'-3/4"

NOTES:
 1. Contractor to verify all measurements prior to construction. Any discrepancies must be reported to the Owner for clarification prior to commencement of construction.
 2. All bearing and coverings supported with 2" x 4" 2x10 w/2" on double cripples unless otherwise noted.
 3. Finish of exterior wall penetrations as per current B.C.B.C.
 4. Contractor to ensure all construction and installation meets the requirements set forth in the current B.C.B.C.
 5. These plans do not show all details of the measurements of the current B.C.B.C. and have not been reviewed for compliance. It is the responsibility of the Owner/Developer to ensure compliance with the Code and all local municipal systems.
 6. These drawings have been checked by the Owner/Developer. After checking, I am responsible for any errors or omissions related to design or otherwise.
