**DATE:** October 19, 2023  
**RE:** Electoral Area “E” OCP Bylaw No. 3010, 2023 (E2021.027-ZONE)

---

### **Administrative Recommendation:**

**THAT Bylaw No. 3010, 2023, a bylaw to adopt the Electoral Area “E” Official Community Plan and to repeal Bylaw 2458, 2008, be read a first and second time and proceed to public hearing; and,**

**THAT the process as outlined in this report dated October 19, 2023, be considered appropriate consultation for the purpose of Section 475 of the *Local Government Act*; and,**

**THAT the Financial and Solid Waste Management Plans have been considered in accordance with Section 477 of the *Local Government Act*; and,**

**THAT the holding of the public hearing be delegated to Director Fedrigo; and,**

**THAT notice of the public hearing be given in accordance with the requirements of the *Local Government Act*.**

---

### **Purpose:**

Bylaw No. 3010 represents a review and update of the Electoral Area “E” Official Community Plan (OCP) Bylaw and is proposing to repeal and replace the current Electoral Area “E” OCP Bylaw No. 2458, 2008.

### **Background:**

At its meeting November 6, 2008, the Regional District adopted the current Electoral Area “E” OCP Bylaw No. 2458, 2008.

The review and update of the Electoral Area “E” OCP Bylaw was a strategic Board priority noted in the Regional District’s 2020 Business Plan. The project commenced in 2021.

The Planning and Development Committee was presented with a summary of Significant Policy Changes at the meeting of June 1, 2023.

At its meeting of September 7, 2023, the Regional District deferred first reading of Bylaw No. 3010, and referred the bylaw to the Electoral Area “E” Advisory Planning Commission (APC).

The Electoral Area “E” APC considered this matter on October 10, 2023 and recommended that it be further deferred. The APC having considered the matter, the bylaw comes back to the Board for further direction.

---

### **Consultation Requirements:**

Under Section 475 of the *Local Government Act*, during the development of an official community plan, the Regional District “must provide one or more opportunities it considers appropriate for consultation with persons, organizations and authorities it considers will be affected.”

The Act further requires that this consultation “should be early and ongoing” and involve the following:

1. *the board of the regional district in which the area covered by the plan is located, in the case of a municipal official community plan;*
2. *the board of any regional district that is adjacent to the area covered by the plan;*
3. *the council of any municipality that is adjacent to the area covered by the plan;*
4. *first nations;*
5. *boards of education, greater boards and improvement district boards;*
6. *the Provincial and federal governments and their agencies.*

To ensure that the Regional District is meeting these requirements, the Board has adopted an *Official Community Plan Bylaw Consultation Policy* (2016) that requires a staff report be prepared prior to first and/or second reading of any new OCP Bylaw “summarizing the consultation undertaken, if additional consultation with external agencies, persons, organizations and authorities is required.”

According to the Policy, this “consultation may involve a variety of methods, including information meetings, open houses, flyers, surveys, dialogue and/or written correspondence.”

### **Public Engagement Process:**

The consultations undertaken in support of this review have included the following:

- the completion of a three round iterative community survey, that focused not only on community wants and desire but also on trade-offs and compromises. Over 500 people participated.
- the establishment of a non-Board-appointed Community Advisory Group, with nine meetings
- the establishment of a Regional Connection site with background and up to date material;
- a final community engagement survey seeking input on the draft OCP strategic directions. There were approximately 373 respondents.
- engagement with external agencies, such as the Okanagan Basin Water Board, Interior Health, Ministry of Transportation and Infrastructure (MoTI), the Agricultural Land Commission, and the adjacent local governments (see Attachment No. 1).

Non RDOS led community engagement included a series of ‘community conversations’ that the Community Advisory Group initiated.

Pursuant to Section 477 of the *Local Government Act*, after first reading the Regional Board must consider the proposed OCP Bylaw in conjunction with Regional District's current financial and waste management plans. The proposed OCP Bylaw has been reviewed by the Public Works Department

and Finance Department, and it has been determined that the proposed bylaw is consistent with RDOS's current waste management plan and financial plan.

Agency Consideration:

Approval from the Ministry of Transportation and Infrastructure (MoTI) is not required prior to adoption as Bylaw No. 3010 is an official community plan and the Ministry's interest is restricted to zoning bylaws involving lands within 800 metres of a controlled access highway (i.e. Highway 97 & 3) under Section 52 of the *Transportation Act*. Nevertheless, MoTI was referred a copy of Bylaw No. 3010.

Pursuant to Section 476 of the *Local Government Act*, the Regional District must consult with the relevant School District when proposing to introduce an OCP for an area that includes the whole or any part of that School District. In this instance, School District No. 67 (Okanagan Skaha) have been made aware of the proposed amendment bylaw.

Pursuant to Section 475 of the *Local Government Act*, the Regional District must consult with the Agricultural Land Commission (ALC) when proposing to adopt an OCP Bylaw which might affect lands in the Agricultural Land Reserve (ALR). Both the ALC and the Ministry of Agriculture have provided comments on Bylaw No. 3010.

Summary of Engagement:

The public engagement outlined above is considered appropriate consultation for the purpose of Section 475 of the *Local Government Act*, as well as the Board's *Official Community Plan Bylaw Consultation Policy* (2016). As such, the consultation process undertaken is seen to be sufficiently early and does not need to be further ongoing.

All comments received to date in relation to this application are included as a separate item on the Board Agenda.

**Changes Made**

There are several amendments made to the draft OCP Bylaw 3010, presented at the Regional District Planning & Development Committee, June 1, 2023. These changes reflect input from the community and various agencies that reviewed the draft OCP. Below is a summary of these changes, shown in italics:

16.1 Parks, Recreation and Trails Background- *The Three Blind Mice Recreation Trails system, a popular mountain biking area, is managed by Provincial Recreation Sites and Trails BC with a Partnership Agreement with Penticton and Area Cycling Association (PACA).*

3.3 Communities and Settlement Areas- *Naramata has been designated as a 'Cittaslow' community. The Cittaslow movement began in 1999 through the work of the Mayor of Chianti, Italy. Now an international movement, the 'Slow City' philosophy is based on place based identity – preserving the threads of each urban area's own unique characteristics that collectively come together to promote and support community.*

19.5.2.5 Solid Waste - *Supports measures to assist Naramata in maintaining its status as an official 'Bear Smart' community, including the need for bear and wildlife proof waste bins.*

---

**22.3.7 .7- Temporary Use Permits** *In issuing a Temporary Use Permit for a dwelling unit for farm labour, the Regional District may specify conditions, in addition to those listed under sub-section 22.3.5, including, but not limited to:*

- a) the use of the accommodation be restricted to farm labour only;*
- b) the structure be removed from the property when the permit lapses, if the renewal of that permit has not been approved;*
- c) the structure be constructed or manufactured in a manner that makes it easily moveable from one location to another; and*
- d) the foundation be temporary in nature (i.e. not concrete).*

**24.3.2 Further studies:**

In addition, a number of projects requiring additional resources have been highlighted by the community. These include:

- Explore regulatory options for future hillside developments;*
- Support a housing need and demand study to assess affordable housing options;*
- Support Electoral Area “E” to become a designated International Dark Sky Community;*
- Explore the option of lowering single family residential development height requirements in the lower Naramata area.*

**24.3.3 Advocacy Priorities:**

- Support the Province to review short-term rentals (vacation rentals) including new compliance and enforcement;*
- Support the Province extending speculation and vacancy tax to the RDOS;*
- Support sale/donation of parcels along creeks to protect riparian areas;*
- Encourage MoTI to review traffic movements and safety;*
- Support a review of Bylaw enforcement services.*

**Analysis:**

Draft OCP Bylaw No. 3010 meets the statutory requirements set out under Section 473 of the *Local Government Act* (i.e. 5 year supply of land for residential housing needs; policies that speak to affordable, rental and special needs housing; greenhouse gas emissions reduction targets, etc.), and as aligning with the community’s goals and objectives as well as those that have previously been adopted by Regional District (e.g. Regional Growth Strategy).

The efforts of residents that participated in this project and provided feedback at the various stages of drafting the new Official Community Plan are appreciated.
