Hi Dennis,

We've received an application to allow a shower in an existing bathroom in an existing accessory building.

These are typically not allowed on small residential lots because of the potential to convert to a dwelling. There are no external changes to this structure.

More information here: <https://www.rdos.bc.ca/development-services/planning/current-applications-decisions/electoral-area-e/e2022-002-dvp>

Please let me know if you have any concerns.

Thank you,  
Danielle
