**CESSATION OF TEMPORARY USE:**

A Temporary Use Permit is not a substitute for an application to rezone a property. A Temporary Use Permit is only intended to allow for an activity over a limited period of time. At the conclusion of the Permit, it is intended that the temporary use will:

- Cease.
- Be moved to another site that is zoned (or designated) for that use.
- During the time that the temporary permit is in effect, a rezoning application will be applied for in order to change the zone on the property, and therefore the site will be zoned (designated) to allow the use. If that application is unsuccessful and the temporary permit expires, the temporary use will be removed.
- Other: May be renewed
