

ADMINISTRATIVE REPORT

TO: Board of Directors
FROM: B. Newell, Chief Administrative Officer
DATE: October 15, 2020
RE: Zoning Bylaw Amendment – Electoral Area “H”

Administrative Recommendation:

THAT Bylaw No. 2498.22, 2020, Electoral Area “H” Zoning Amendment Bylaw be read a third time and be adopted.

Purpose: To rezone the subject property to allow for a 2-lot subdivision.

Owners: Madelaine McGrath & Carolann Brewer Agent: ALLTerra Land Surveying Folio: H-00632.100

Legal: Lot A, Plan KAP69501, District Lot 101 151 391, YDYD Civic: 2390 Coalmont Road

OCP: Large Holdings (LH) Proposed OCP: Large Holdings (LH)

Zone: Large Holdings Two (LH2) Proposed Zoning: Large Holdings One (LH1)

Proposed Development:

This application is seeking to amend the zoning of the subject property in order to create two 4.0 ha parcels. In order to accomplish this, the applicant is proposing to amend the zoning of the property from Large Holdings Two (LH2) to Large Holdings One (LH1).

In support of the rezoning, the applicant has stated that “the OCP designates this property and the adjacent parcels as Large Holdings (LH), so no changes to the OCP will be required. They (owners) have identified several potential building site locations at the top and bottom of the hill.”

Site Context:

The subject property is approximately 8.0 ha in area and is situated approximately 1 km east of Tulameen on the north side of Coalmont Road. It is understood that the parcel is currently vacant.

The surrounding pattern of development is generally characterised by similarly sized Large Holdings Two zoned parcels on either sides of subject parcel. To the north is the Otter Mountain which is largely undeveloped. To the south, across Coalmont Road, is farmlands.

Background:

On August 10, 2020, a Public Information Meeting (PIM) was held electronically and was attended by no members of the public (RDOS staff and both owners were present).

Due to COVID-19, an Area “H” Advisory Planning Commission (APC) meeting was not held. Area “H” APC members were provided the opportunity to comment individually on this application.

At its meeting of September 17, 2020, the Regional District Board resolved to approve first and second reading of the amendment bylaws and directed that a public hearing occur at the Board meeting of October 15, 2020.

All comments received to date in relation to this application are included as a separate item on the Board Agenda.

Approval from the Ministry of Transportation and Infrastructure (MoTI) is not required prior to adoption as the proposed amendments involve lands beyond 800 metres of a controlled access highway (i.e. Highway 3).

Analysis:

In considering this proposal, Administration notes that the proposed zoning designation change from LH2 to LH1 is generally consistent with the LH designation under the OCP Bylaw.

While the proposal is to create two parcels (each of size 4.0 ha), no significant impact is anticipated on the neighbouring properties as the subject property is located in proximity to SH4 zoned lots with parcels ranging from 0.5 ha to 1.0 ha.

Regarding servicing of lots, each parcel will have to be serviced by a ground water well and septic system that meets the Regional District’s Subdivision Servicing Bylaw requirements

The eastern lot is proposed to be accessed through existing driveway, and a new driveway will be constructed to service the proposed western lot from Coalmont Road.

Further, an environmental assessment was submitted in support of proposed rezoning, which indicated that the proposal will not result in either new parcel having restrictions that would preclude development and that the construction of a new house on the western half (proposed new lot) will not require any clearing or blasting.

Conversely, Administration recognises that the topography is challenging and that the current 7.8 ha parcel size may be the most appropriate for this particular location.

In summary, Administration supports the proposed zoning amendment bylaw, to allow creation of two parcels of size not less than 4.0 ha as it is seen to have no significant impact on surrounding properties or the environment and generally fits with the existing rural character of the neighbourhood.

Alternatives:

1. THAT third reading of Bylaw No. 2498.22, 2020, Electoral Area “H” Zoning Amendment Bylaw be deferred; or
2. THAT first and second readings of Bylaw No. 2498.22, 2020, Electoral Area “H” Zoning Amendment Bylaw be rescinded and the bylaws abandoned.

Respectfully submitted:
