RESCINDED - WATER QUALITY ADVISORY FOR TURBIDITY

May 30, 2023

The Regional District of Okanagan-Similkameen (RDOS), in consultation with the Interior Health Authority (IHA), is rescinding the ***Water Quality Advisory for turbidity*** effective immediately. Over the past week, the 24-hour average turbidity levels have consistently remained below 1 NTU.

For further information, please contact the Utilities Department at 250-490-4106 or 250-490-4135. Thank you for your cooperation.
