

TEMPORARY CHLORINATION

OLALLA WATER SYSTEM

Effective November 15, 2024

November 15, 2024

RDOS Public Works will be responding to recent test results that continue to indicate a potential change in the water quality in the Olalla water distribution system by recommending temporary chlorination on November 15, 2024 and will remain in effect until further notice.

Residents may notice the taste and odour of chlorine in the water during this time.

For further information, please contact RDOS Public Works at 250-490-4135 during regular business hours, 8:30 am to 4:30 pm, Monday through Friday.

For after-hours water emergencies, please call RDOS Regional Dispatch at 250-490-4141.

Thank you for your cooperation.
