

## Systems Operator II

### Utilities

Regular, Full-Time

Located in the south-central region of B.C., the Regional District of Okanagan-Similkameen covers an area over 10,400 km<sup>2</sup> and is renowned for its orchards, vineyards and golf courses, as well as its widely varied landscape including deserts, mountains and valleys, pristine lakes and outdoor recreational opportunities.

The Regional District of Okanagan-Similkameen is currently recruiting for a regular, full-time Systems Operator II (Water) to join the Utilities team.

The Systems Operator II position is responsible for contributing to the efficient and effective operation of the water and wastewater operations by performing a variety of operations and maintenance duties.

#### QUALIFICATIONS:

- Secondary school graduation or equivalent, plus:
- EOC Water Distribution Operator Level II
- EOC Municipal Wastewater Treatment Operator Level I would be considered an asset
- The following would be considered an asset:
  - EOC Wastewater Collection Operator Level I
  - EOC Water Treatment Operator Level I
  - Instrumentation/SCADA programming and troubleshooting skills
  - Certificate of Training for Transport of Dangerous Goods
- A minimum of 3 years' experience in a Class II or higher system/facility.
- Knowledge of relevant policies, bylaws, procedures, safety methods and occupational hazards in the water operations and maintenance environment.
- Chlorine Handling certificate.
- Demonstrated computer skills in Microsoft Office Suite (Outlook, Word, and Excel).
- Ability to work on a number of concurrent tasks with deadline pressures.
- Ability to work independently and efficiently with limited supervision.
- Ability to work flexible work hours, including evenings and weekends.
- Good physical condition with sufficient strength and stamina to perform heavy manual work in the presence of all types of weather conditions.
- Ability to read blueprints and plans and prepare sketches.
- Ability to communicate in a courteous and tactful manner.
- Ability to operate mechanical tools and equipment used in the operations, maintenance, installation, and repair of water and wastewater system works including precision work with small tolerances for error.
- Valid First Aid Certificate or an ability and willingness to obtain one.
- Valid B.C. Driver's Licence.

This regular, full-time position is included in the BCGEU bargaining unit. The hourly wage for the position is \$33.91, Paygrade 5, plus an attractive fringe benefits package.

Qualified individuals are invited to submit their application in PDF format quoting **Competition No. 23-37E-R** by **4:00 pm, Friday, August 25, 2023** to:
