Dear Chair Pendergraft:

**Metro Vancouver Mayors Support for Communities Impacted by Extreme
Rainfall Emergency**

On behalf of the Mayors Committee of the Metro Vancouver Regional District, we would like to communicate our support to all local governments and regional districts that have been affected by the current flooding disaster across the province.

As your neighbours and colleagues, we have watched with shock at how last weekend's extraordinary rainfall event has impacted your communities. And we have also been encouraged and inspired as we witness the strength of your leadership and the resilience and unifying generosity of your citizens as the impacts of this emergency continue to unfold.

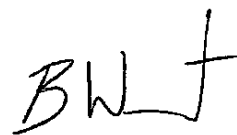

Thank you for your clear-sighted leadership during this crisis, and please do not hesitate to call upon our assistance.

Yours sincerely,

Sav Dhaliwal
