

TEMPORARY WATER SERVICE SHUTDOWN NOTICE NARAMATA WATER SYSTEM Effective October 30, 2024

October 22, 2024

Please be advised that RDOS Public Works will be temporarily shutting down the water supply to several areas in order to facilitate the repair of a mainline valve.

WHEN: Wednesday, October 30, 2024

TIME: 8:00 am to 4:30 pm

WHERE: See list below:

- Boothe Rd. – Addresses 580 to 970 excluding 585
- Robinson Ave. – Addresses 835, 845, 855, 860
- Rosebud Ave. – All addresses
- Salting Rd. – Addresses 835 to 925
- Sherwood Pl. – All addresses

There is potential that the shutdown area could expand to include the following addresses:

- Gulch Rd. – Addresses 4310 to 4355

In preparation for the water service shutdown, please ensure that you have an adequate supply of water on-hand for domestic use.

Once water service is restored, you may notice adverse water quality temporarily (high colour, suspended solids and turbidity). Crews will make all efforts to remove any discoloured water, however, if you experience dirty water, simply run your cold water taps only and/or garden hose until the water runs clear. Residents should check the water quality before laundering clothing during this time to minimize potential staining or discolouration.

For further information, please contact RDOS Public Works at 250-490-4135 during regular business hours, 8:30 am to 4:30 pm, Monday through Friday.

For after-hours water emergencies, please call RDOS Regional Dispatch at 250-490-4141.

Thank you for your cooperation.

RDOS Public Works
