I AM WRITING NOT TO OPPOSE THE REAR SETBACK
FROM 4.5 TO 2.91 M BUT, I WOULD LIKE TO HAVE
A CONCERN REGISTERED.

AFTER VIEWING THE PLANS WITH THE BLACKWELLS
WE HAVE CONCERNS REGARDING HEIGHT WHICH IS
8 FT. INTERIOR PLUS ROOF PLUS SOLAR PANELS.
THE BLACKWELLS HAVE ASSURED US THAT THE PANELS
WILL BE FLAT WHEN REINSTALLED AS OPPOSED TO
ANGLED TO HELP REDUCE THE HEIGHT. WE WOULD
LIKE THAT NOTED AND STATED IN THE BUILDING PERMIT.

THANK YOU FOR YOUR ATTENTION.

SINCERELY
