## Supplemental Rationale

Hi Ben, please accept this as the supplemental rationale for us renewing our TUP for the address above.

We are planning to continue to rent the house for part of the summer as per the original application, to cover some of our costs, and also make it available for others to enjoy the area and bring economic benefits.

- We are requesting a duration of temporary use of up to 3 years.
- Contact information for local property manager: Debora Linton - (250) 496-5449
- Vacation rental details -same as the previous TUP, i.e. 2 bedrooms and up to 4 guests

Many Thanks

Paul and Alison
