

NOTICE

OKANAGAN FALLS WATER SYSTEM

TEMPORARY WATER SHUT DOWN FOR EMERGENCY REPAIR

WHEN:	Sunday, December 3, 2023
TIME:	Immediately
AREAS AFFECTED:	Intersection of Maple St at 10 Avenue, heading South to Ferguson Place Includes Bassett Avenue and Barten Place

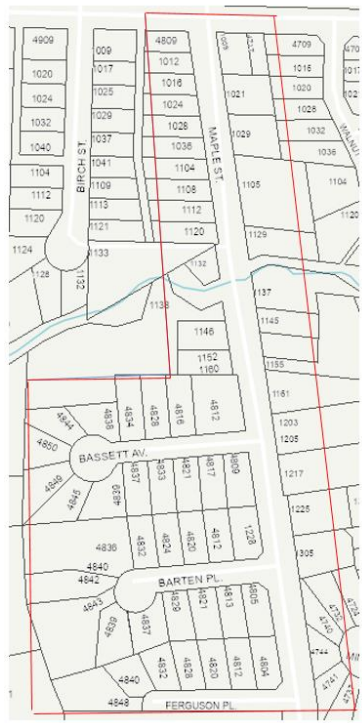

The Utilities Department crews are currently working on a water leak located in the 1200 block of Maple Street. In order to facilitate this repair, the RDOS has had to turn off the water in the areas noted above.

The repair is currently under way. There is no estimated time of completion.

If possible, please let any of your neighbours in the area know that may not have email or internet. Once the work is completed, you may wish to run your cold water taps or outside hoses for a few minutes to flush any turbidity or cloudy water through - prior to drinking or using for laundry etc.

For after-hours water related emergencies, please call Regional Dispatch at 250-490-4141

Thank you for your patience.
